## FROM THE PRESIDENT

Dear NFWS friends:

Well, I promised you that the **September** meeting would give you all incentive to get back to work. Indeed, if you came to the meeting (just short of 100 painters in attendance), you left filled with great enthusiasm to charge into working on that tricky, elusive **Yupo**. Dynamo **Eileen Sudzina** demystified Yupo with an amazing demonstration that was generously informative and exciting. She included many hints and clues to success on this different surface and then went on to demonstrate how to pull them off. Among my biggest take-aways was her liberal use of masking fluid to define important areas of her drawing. And it wasn't until the end of the painting, when she removed the masking fluid, that I understood how important it was in the final pulling together of what seemed to be disparate elements while she was applying paint. You had to be there.

Ontario artist **Linda Frayne Kemp** ([www.lindakemp.com](http://www.lindakemp.com)), our fall workshop artist, will demonstrate for our October members meeting. Linda has an international reputation as an expert in negative painting, an approach that I find very exciting for its unique design opportunities. I also find it exciting to reverse my thought processes to pull it off. I'm told that artists, as a group, are among the most long-lived people worldwide because their brains are so much engaged across so many disciplines. Negative painting is my key to longevity. See you in 2030. In the meanwhile, make plans to come see Linda Kemp's demo at **Burchfield Penney Art Center**, October 19 on the **Buffalo State Campus**, Elmwood Avenue.

- Check the **Calendar** on the first page of the Waterbucket for important dates.

### NFWS NEWS

Hostesses are needed to assist **Sue Walker** for November, March, and April. Contact Sue at 716-691-9449. Thanks to Cathy Skerker and Mary Jo Ketchum for the September goodies.

Congratulations to **Fred Cooley, Linda McGuinness, Sallye Keith, Janis Stanek, and Kay Woike** who have achieved **NFWS Signature Membership**, having been accepted into 2 or more juried NFWS shows. (Members should check the Fall Membership Directory to make sure your membership status has been properly credited. Contact Membership Chair Marty Kutas [martysart@verizon.net](mailto:martysart@verizon.net) if your status is changing because of a recent acceptance. A new certificate has been created and will be sent to all current and future Signature Members.)

**Volunteers are needed to take over** responsibility for the DVD Library. Richard Chamberlain, former chairman, has reorganized the library into a very easy-to-administer format. Please let Sally Treanor (716-912-1451) know if you are interested in sharing this important responsibility. Also **please return any DVDs that you might still have checked out.**

This year at the **November meeting**, we will be gathering materials to donate to the **Eden Alzheimer Respite Group** who use art therapy with their clients. Their current needs:

- Watercolor paper in any form (sheets, pads, tablets etc.). They are teaching their students how to tear watercolor paper, which facilitates sensory perception.
- Watercolor pencils, a different option for those people who prefer to draw.
- Pans/pods of watercolor. Participants are usually presented with three colors to use. This enables sharing of colors without overwhelming the participants.
- Magazines they can use to stimulate ideas and as examples for projects.
