WATERBUCKET

April Guest demonstrator **GLENN BLUE** grew up in a family of artists in the suburbs of Philadelphia. His parents were art teachers, so he learned art at a very early age. By his teenage years, Glenn was selling paintings professionally. Over the following thirty plus years, Glenn has trained in fine arts and shown in countless local, regional, and international shows. Glenn has studied with numerous national and internationally known painters and has travelled to numerous places in Europe, painting and collecting art. Glenn has given lectures to artist groups and college classes. He has been a judge of local art exhibitions and is always happy to talk art with others. His works have been shown in several galleries and he has been the subject of many newspaper articles. Glenn currently has paintings on display in his own gallery space at the Marketview Arts Center, York PA and in the Chadds Ford Gallery, in Chadds Ford PA.

Glenn has painted loose glowing representational watercolors on his many plein air painting trips throughout Europe and the United States. Glenn captures the artistic impression and atmosphere of his subjects. His paintings are representative without being photographic. He showcases the flow and glow of watercolor.

APRIL 2021

Dear NFWS friends:

It does indeed seem like spring has sprung early here in Western New York. Quite exciting to enjoy this lovely weather.

We had a great demo by State College, PA resident Lena Thynell of a wonderful winter barn scene. It is available on our NFWS YouTube site which you can reach through our website.

Glen Blue from York, PA will be our presenter on **Zoom at 7 p.m., April 15th**. "Glenn captures the artistic impression and atmosphere of his subjects. His paintings are representative without being photographic. He showcases the flow and glow of watercolor."

A reminder that our spring show will hang in the Artist Group Gallery at 1 Linwood Ave. in Buffalo. For those of you with paintings in the show, the drop off date is April 17 from 11 a.m. to 1 p.m. Remember social distancing rules will be in effect so the number of people let into the gallery at one time will be limited.

We are looking for people interested in serving on the board of NFWS. We will need a new secretary next year and a board member. In addition, we will need one or two people interested in being trained to run our video camera when we return to in-person demonstrations. If any of this interests you, please contact me at the number below or send me an email.

The board decided at its last meeting that we will continue with Zoom demonstrations through the February, 2022 meeting. We still don't know what the COVID guidelines will be for the fall and we all know that weather can be so iffy in the winter in this area. In addition, it allows us to host demonstrators from anywhere on our "stage."

Finally, I would be interested in hearing from everyone what your reaction has been to the Zoom demonstrations and/or the ones you may have viewed on our YouTube channel.
