SEPTEMBER 2022

Dear Fellow Artists,  
Hope everyone had a pleasant and productive summer. As always, it feels like it has gone by very quickly.  
We will start the year with an in-person meeting at the Amherst Community Church at 7 p.m. on September 15th. Our own Sheila Reigh will be our guest demonstrator. October, however, will be via Zoom when Glen Blue is our fall workshop artist. He will be teaching remotely as we were worried about Covid when we planned the workshop. You will receive the Zoom invitation in early October or you can watch it on our YouTube channel at a later date. We will continue to host our demonstrations on Zoom through the winter. We know not everyone can see them, but it has worked in the last two years to help us all stay healthy and safe. And it means no one has to drive in the evening when there is snow on the ground.  
Please plan on visiting the Kenan Center in Lockport between October 2nd and November 13th to view our fall members show. If you can't make it in person the images will be at the NFWS website after the judging.  
So I hope to see as many of you as can make it on September 15th.
