GORD JONES

November Guest Artist

Gord Jones is a watercolour artist residing in the Algonquin Highlands where he works and teaches in his White Pine Studio. He and his family moved from Stoney Creek after cottaging in Haliburton for 25 years. Gord is an elected member of the Canadian Society of Painters of Watercolour and the Society of Canadian Artists. He is also a member of the ECOAA, IWS, Niagara Frontier Watercolor Society, Haliburton Arts Council, and The Rail's End Gallery in Haliburton. He has participated in the Studio Tour – Haliburton Highlands for the past 3 years.

Gord has been drawing and painting for over 35 years. After experiencing many different mediums such as oils, acrylics, even egg tempera, he always returned to his greatest love – transparent watercolour. The scenery in Haliburton has been a great source of inspiration for most of his paintings. His approach is to interpret the essence of his chosen subject rather than producing detailed likenesses of actual places. Watercolour allows Gord to transfer the light and shadow that he photographs in real life to the painting. With a fluidity of colours, Gord combines impressionistic strokes and semi-abstract techniques to elicit memories of place and time in his transparent watercolour landscapes. He paints mainly landscapes, cityscapes, and industrial scenes.

Gord teaches watercolour painting in his studio and at The Haliburton School of Art & Design. He also does workshops for art groups throughout Ontario. His work can be seen at www.watercoloursbygordjones.com

NOVEMBER 2022

Dear Fellow Artists,
I hope everyone is enjoying the recent nice weather. We have had a most successful water media show at the Kenan Center. As always, the chosen pieces are incredible. The show will be up until November 13th. So, you still have time to see it in person. If you can't get there, it is on our website along with the list of winners. <https://nfws.org/award-winners-nfws-fall-2022-members-watermedia-exhibition/>.
Our recent workshop with Glenn Blue via Zoom was excellent. Attendees said every minute was packed with useful tips. If you did not get to see his demo on October 20th, it is available on our YouTube channel.
On November 17th, our Members Meeting will be a Zoom demo by Gord Jones, a wonderful Canadian painter. He is a master of winter scenes with snow and long shadows. And he is great to watch. You will receive an invitation to join that Zoom during the week prior to the presentation. And we have a special treat for everyone. We will be hosting a 3-day Zoom **workshop January 10-12** with **Skip Lawrence** who had been scheduled for an-person workshop earlier that was cancelled due to Covid. The registration form will be emailed to members on **November 10th**. The cost for members is \$250 and nonmembers is \$295. There is a link to his work on the NFWS website.
Just a reminder there will be no Members Meeting demo or Waterbucket in December. We will resume in January.
I want to wish everyone a happy Thanksgiving and Holidays and hope you can join us for our in-person and Zoom presentations.
